Returns from Germany

Miss Beatrice Pierce James

Miss Beatrice Pierce James, daughter of Mrs. G. L. James of Apomattox, has returned from Fulda, Germany, where she taught for two years in the Fulda American Elementary and Junior High School, U.S. Department of Defense. Armed Forces Dependent School. She will return on August 26, to her teaching position at the Norrell Elementary School in the Richmond Public School System, Richmond, Virginia.

Miss James states that the opportunity to travel, as well as partiepate in an excellent school situation, was most rewarding. In addition to her classroom teaching experiences, Miss James taught one undergraduate course for the University of Maryland and taught in the Army's PREP courses for G.I.'s. The great majority of her pupils were of varied racial backgrounds and spoke fluently at least two languages. Their travel experiences included most of Europe, some of the States, and parts of the Pacific. She traveled to London to coach six oratorical contest winners from the Fulda-Hersfeld-Geissen Area. Her classes spent several school days in the local German schools to foster good German-American relationships. Field trips to Olympic meets, castles, local shops and open-air markets, museums, including the Grimm museum; cathedrals, domes, and tiergartens greatly enhanced the pupils' appreciations for other cultures. Miss James was pianist for the school. Teaching in military facilities, being a part of military-style living, and having military personnel privileges allowed her to visit London, Paris, Amsterdam, Copenhagen, Munich, Frankfurt, Switzerland, the Azores, Weisbaden, Nurenburg, the East-West Border, and Rome.

Miss James further stated that so many highlights of her visits to other countries enabled her to see places that she has studied, read, or taught about. Her recent rich experiences will be of great value in her teaching here in the States. She would like to teach again overseas. The maximum two years Leave of Absence from the Richmond City School System seemed, indeed, too short.

We welcome Miss James back home.
